

Killdeer Mountain Manufacturing, Inc.

Boeing Commercial Additional Terms and Conditions

1. All line items must be supplied to the latest drawing revision AND match the revision on the Killdeer Mountain Manufacturing (KMM) purchase order. If the latest drawing revision does NOT match the revision on the KMM purchase order, Seller must inform the KMM contact listed on the KMM purchase order in order to amend the KMM purchase order
2. A manufacturer's Certificate of Compliance (C of C) is required to be shipped with ALL KMM purchase orders. KMM cannot accept a C of C from any party other than the original manufacturer of the items.
3. On-time shipment for ALL KMM purchase orders is 5 business days early and 0 business days late. KMM will change the delivery due date on a purchase order if Seller advises KMM of a change in delivery at least one business day BEFORE the order is due, AND if the change in delivery will not adversely impact KMM's inventory, production, or customer needs.
4. **AOG (AIRCRAFT ON GROUND) REQUIREMENTS**
If an AOG material need arises and Seller is so notified by Killdeer Mountain Manufacturing, Seller is expected to support AOG requirements with its best efforts. Seller shall notify Killdeer Mountain Manufacturing immediately upon shipment with part number, quantity, and tracking number of materials supplied to support AOG needs. Seller will ship UPS RED for all AOG requirements using Killdeer Mountain Manufacturing's UPS account number unless otherwise notified. Seller shall notify KMM immediately of any delays in shipment and identify earliest revised shipment possible.
